Como un emotivo símbolo de la simpatía de la ciudad de Miami hacia sus hermanos de latinoamérica, arde durante las veinte y cuatro horas del día, la ANTORCHA DE LA AMISTAD, en el severo monumento levantado en el bello Parque Bayfront. LA ANTORCHA DE LA AMISTAD, nombre dado a ese monumento donde figuran los escudos de todas las Repúblicas de este Hemisferio, está presidido por las enseñas Patrias del Mundo Americano. Este símbolo de mutua simpatía y afecto entre Miami y Latinoamérica, ha sido recientemente reedificado para honrar al Presidente Mártir John F. Kennedy.

BACARDI

El Edificio BACARDI situado en Biscayne Boulevard y Calle 21, tiene las oficinas principales de Bacardí Imports, Inc., firma encargada de la distribución y venta del famoso ron BACARDI en los Estados Unidos.

El Edificio fué concebido como expresión del espíritu de la cultura latino americana dentro de la vida económica de Miami.

Uno de los edificios más notables de la ciudad, el Edificio BACARDI se destaca como un símbolo de la infusión en la economía de Greater Miami del talento, energía, y fé en la libre empresa de los cientos de miles de personas de origen latino americano que afluyen a esta ciudad.

El detalle que más se destaca en el bellísimo edificio es la obra en cerámica del artista brasileño Francisco Brennand. Los murales laterales del edificio desarrollados en azulejos blancos y azules dan un excitante brochazo de colorido que refleja el espíritu y la alegría de Latino América.

El arquitecto del majestuoso edificio Enrique Gutiérrez, cubano, tiene sus oficinas en Puerto Rico.

La planta baja del Edificio BACARDI, 2100 Biscayne Boulevard (Miami, Fla.) fué diseñada especialmente para ser utilizada como una galería de arte. Totalmente rodeada de cristales a través de los cuales se ven los bien cuidados jardines, es el punto de reunión de los amantes del arte.

Las exhibiciones se cambian cada tres o cuatro semanas. Artistas internacionales conocidos, muchos de ellos de origen latino, han expuesto sus obras en esta Galería BACARDI, cuyo salón es donado completamente gratis por la firma Bacardí Imports, Inc., como una cooperación a la comunidad.

Una visita a la Galería BACARDI le dejará un grato recuerdo.

OBSERVE ESTAS MEDIDAS DE PROTECCION

ANTES DE SALIR DE NOCHE

Planee el camino a seguir; calcule el tiempo de camino y lugares que visitará.

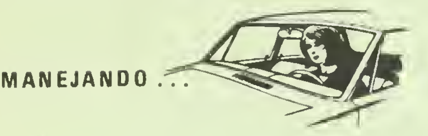

Hágale saber a su familia o amigo a donde usted va y posible hora de regreso.

Lleve identificación, número de teléfonos que pueda necesitar y guarde en su casa copias de documentos importantes que necesiten reemplazarse en caso de pérdida.

CAMINANDO . . .

Planee la ruta a seguir, evitando cruzar parqueos solitarios, lotes vacíos y lugares oscuros, transite por vías alumbradas y con suficiente tráfico. Permanezca alerta si mira vidrieras y esté preparada para correr si es perseguida, y si es desde un automóbil, corra en dirección contraria. Cambie de ruta cada vez que lo necesite, evitando pasar por corredores oscuros y lugares sin alumbrado eléctrico, y si es posible camine por el medio de calles iluminadas.

MANEJANDO . . .

Chequee su carro antes de entrar — extraños pueden esconderse en el asiento trasero. Mantenga el tanque lleno, las puertas cerradas y los cristales arriba.

Suene la bocina si es perseguida; suba la tapa del maletero o el capó, cuando su carro se dañe, y permanezca en el carro con las puertas y ventanas cerradas, y si personas desconocidas le ofrecen ayuda, rehúsela, no abra la puerta, baje la ventana un poco para que la oigan.

USO DE TRANSPORTE PUBLICO

Aborde en una área bien iluminada, y permanezca en el mismo lugar hasta que el tren o bus llegue. Escoja lugares con más pasajeros, observándolos y cambie de lugar si es molestada por otros pasajeros.

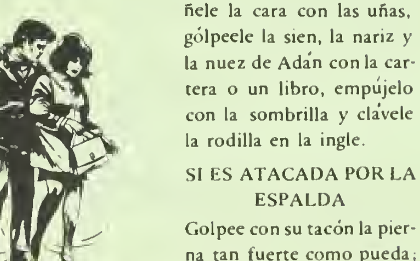

EN LUGARES PUBLICOS . . .

En el teatro, siéntese cerca del pasillo, evitando las esquinas oscuras o áreas con asientos vacíos o balcones En restaurantes o bares, cuídese de extraños, y en conversaciones evite dar su nombre, dirección o lugar de trabajo.

SI ES ATACADA . . . .

Grite tan alto como pueda y después ataque rápidamente, apuntando a las partes vitales hasta herir al atacante.

Presiónele los ojos; rasgúñele la cara con las uñas, gólpeele la sien, la nariz y la nuez de Adán con la cartera o un libro, empújelo con la sombrilla y clávele la rodilla en la ingle.

SI ES ATACADA POR LA ESPALDA

Golpee con su tacón la pierna tan fuerte como pueda; gólpeele la cara con su cabeza. Trate de agarrarle uno de los dedos y torcérselo lo más fuerte que pueda, y grite tan alto como le sea posible, pues esto aterroriza al atacante.

NOTA: Si usted frecuentemente tiene que salir de noche, debe obtener entrenamiento sobre defensa personal.

PROTEJA SU CASA

Use cerraduras apropiadas, de combinación, de doble acción, de doble cerrojo.

Póngale cadena a la puerta, instale ventanas contra robos. Evite ser identificada en su casa, cambie el nombre en el buzón (también el del teléfono) de "Mary Jones" a "M. Jones". No cuelgue la ropa interior afuera y cierre las cortinas.

Cuando suene el timbre, identifique al visitante y mantenga la cadena en su lugar hasta estar segura de quien está en la puerta. Si un extraño trata de entrar, grite y después defiéndase usando objetos pesados.

Use precaución cuando regrese a su casa, si nota una puerta forzada o alguna cosa que le indique que ha sido robada, llame a la policía.

Cuando salga de la ciudad en un fín de semana, o en vacaciones, no deje las luces prendidas día y noche, use las luces que se apagan y prenden automáticamente, o recomiende a un amigo o vecino para que se encargue de este detalle.

DEBE USTED ESTAR ARMADO?

En la Florida, es contra la ley: cargar pistolas o armas de fuego, gas lacrimógeno, bombas u objetos que contengan líquidos o gases venenosos, cuchillos u objetos de metal.

BEHIND THE FRONT PAGE

A Guide To Miami's Latins

By JOHN PENNEKAMP

PROBABLY the most frequently asked, and often debated question in Miami is: When the political climate becomes acceptable in Cuba how many of those who have come here since Castro will go back?

Pennekamp

I find the response generally to be "Very few." Those who believe the exodus will be fairly general are an almost minority.

How many Cubans are here?

An exact answer is impossible, but a fairly accurate guess would be 350,000.

Many of the younger Cubans were born here and are acclimated to our way of life, as many of their elders have become.

Miami's successful business community includes numerous Cuban men and women, and the professional ranks are being penetrated as licensing provisions are being accomplished. Meanwhile many trained and qualified Cubans are in secondary capacities awaiting formal compliance with the law.

Banks handy to Cuban residents have profited from their deposits and savings.

THE RECENTLY issued seventh annual "Latin American Guide To Miami" is testimony of the substance the colony has brought to Miami and on which they are building here.

Edited by Carlos M. Calvo and Mercedes Calvo it is a junior copy of Ma Bell's telephone directory, complete with beginning pages (in green) of information, and ending with yellow pages of advertising.

Between are some 35,000 individual listings of names, addresses and telephone numbers.

These aren't necessarily all exile Cubans, since many had come to the United States before Castro, and others are from other Latin American countries. But, preponderantly they are from Cuba.

THE GREEN PAGES, in addition to the telephone use instructions — all printed in Spanish — also tell about such things as the area's parks, street layout, Vizcaya, museums, University of Miami, sports and other attractions.

Also, they include a map of Miami, together with the in-town postal zip codes for the Latin residents, most of whom live there. The zip area is embraced by 12th Ave., on the west, 20th St. north and U.S. 1 south.

Other useful information deals with the bus system and aviation facilities.

THE SUBSTANTIAL telephone listings — 279 pages — do not include all of the Latin Americans, although each edition adds more names. The current one, for instance, has 1,570 Rodriguezes, to lead the individual name list, while Ma Bell's book has about 2,140 of that name.

An interesting comparison: Ma has about 2,500 Smiths, nearly 1,600 Johnsons and about 1,100 Joneses.

Following Rodriguez in the Latin American directory are Gonzalez, more than 1,300; Perez and Garzia more than 1,200 each; and then Fernandez with about 1,100.

THE YELLOW pages are the most revealing as to the Cuban substance in the Miami business community. Many of the ads are full page in size and are for Cuban-owned enterprise. Most of the ads of long established Miami concerns emphasize, often with photograph reproductions, their Latin American agents and salesmen.

All, of course, are pitched to appeal to Spanish-speaking prospects.

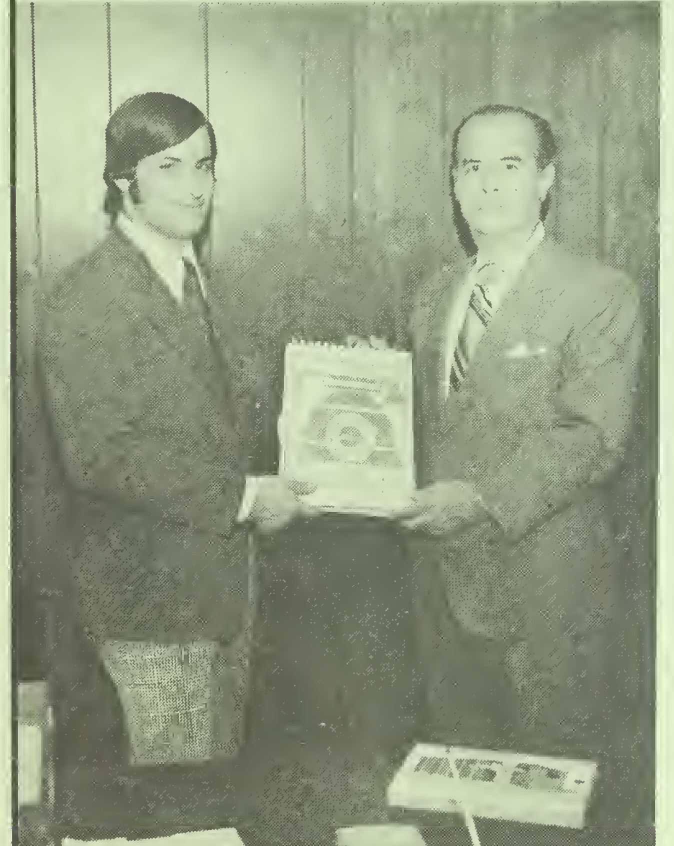

And they reveal many communities of interests. (One has to do with weight reducing.)

TWO AUTOMOBILE ads picture the president of the company with an American name and six associates, each with a Latin name.

A concentration of bank ads testifies to the steady economic progress of the exiles.

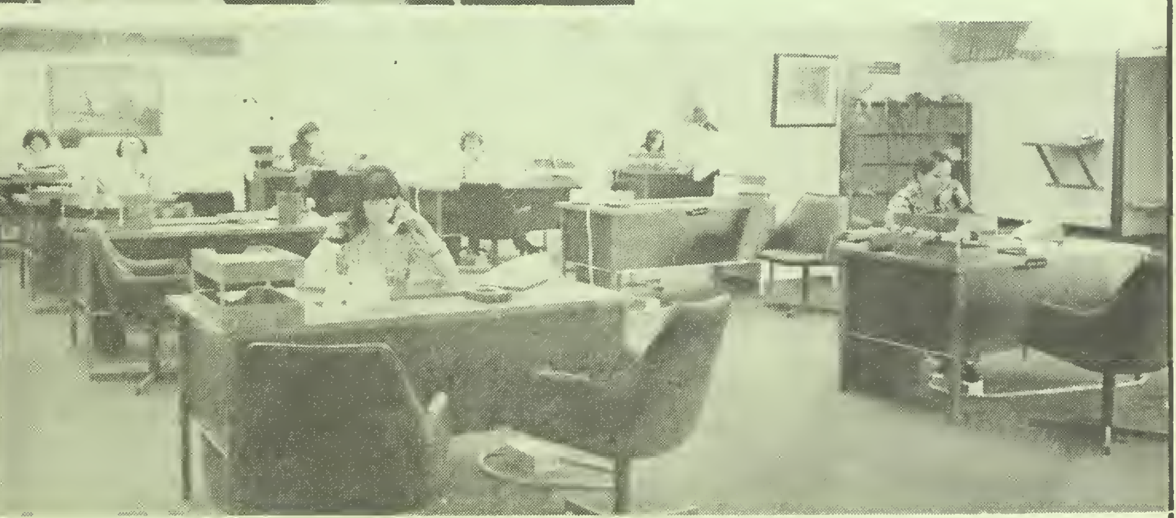

The 167 yellow pages represent probably 500 businesses, many of them Cuban owned and nearly all of the remainder relying on Cuban employes and purchases. All attest that return to the homeland is a secondary consideration.

BANK OF MIAMI BEACH

930 WASHINGTON AVENUE, MIAMI BEACH, FLORIDA (305) 534-1577

Entrevistamos a estas 20 personas sobre su mayor problema. 18 respondieron lo mismo.

No importó la edad, los ingresos o el estado civil. La respuesta fue "dinero", se tratase ya de comprar su casa, de retirarse confortablemente o de enviar a sus hijos a la Universidad.

Nos extrañamos de como teniendo un mismo problema, la mayoría de las personas nunca deciden ir al lugar con mayor experiencia para ayudarles a encontrar una solución: a un Banco.

Quizás la culpa sea de los bancos. Quizás los bancos han estado muy ocupados en conseguir nuevas cuentas, o quizás enfocan todo desde su punto de vista y se han olvidado de usted.

Sea lo que fuese, nosotros, en los Barnett Banks, estamos haciendo algo por usted.

Hemos elaborado 3 folletos sobre los problemas básicos que las personas encuentran. 1- Para los solteros. 2- Para aquellos con familia y 3- Para los retirados o los que están por hacerlo.

Son gratis. Pase por uno de nuestros bancos y recoja uno. O escríbanos y se lo enviaremos por correo.

Con estos folletos pensamos lograr lo que creemos un banco debe hacer: Ayudarle a resolver sus problemas monetarios.

Después de todo, es así como un banco actúa cuando quiere ser su banco para toda la vida.

El Banco preferido por los Latinos.

¡Vamos! ¡Suba! El Banco que avanza con rapidez le propone avanzar juntos

NO ES UN SECRETO PARA NADIE: el **MERCHANTS BANK** avanza a toda máquina. Tal vez esto no fuera importante para Ud. si no le estuvieramos proponiendo avanzar con nosotros. Podemos ofrecerle una gran variedad de posibilidades de ahorro-inversión.

Posibilidades diferentes, porque pensamos que cada cliente es distinto, que tiene necesidades, preferencias y hasta caprichos absolutamente propios. Por eso, en el **MERCHANTS BANK** se ahorra o invierte segun las necesidades del cliente.

En el caso suyo, siempre bajo la supervisión personal del ''conductor'' bancario FRANK RIVERO, Vice Presidente a cargo del Dept. Latino. La potente y experimentada ''máquina'' arrastra consigo muchas posibilidades para el ''AHORRO-INVERSION''.

Cada ''vagón'' de este largo tren representa modalidades diferentes. Ud. puede subir en la sección de ahorro, cuentas corrientes, o cuentas comerciales, prestamos comerciales, prestamos personales, O combinar más de dos posibilidades, O pasar de una a otra cuando sus propias circunstancias lo requieran.

SUBA a nuestro tren. El ''conductor'' Rivero, tiene 24 años de experiencia . . . Decidamos de forma conjunta la fórmula de Ahorro-inversión más adecuada. Tenemos un destino común:

¡PROGRESAR!

Compre lo mejor. Del mejor.

¿Está usted disgustado porque las flores que pidió llegaron tarde? ¿Y las que le envió a mamá nunca llegaron? ¿Y las que usted tenía se marchitaron muy pronto? Usted debe saber que para dar lo mejor, debe tratar con el mejor.

El mejor Jardín del área es THE EXOTIC GARDENS. Más de 60 años en el giro indican que están haciendo bien muchas cosas. Y mejor que los demás.

Servicio cortés y responsable de un personal entrenado profesionalmente. Flores frescas, más duraderas, y plantas de nuestros invernaderos. Locales céntricos. Una amplia flotilla de camiones para una entrega rápida. Y lo más importante, a un precio razonable.

El mejor mensaje.

For us in particular, it is a great feeling to know that you will do so, as duly and democratically-elected Representatives of the People of Florida.
We Latin Americans from Dade County, 400,000 strong, are particularly grateful to the entire delegation from Dade, a county which has made it possible for us to start a new life and prosper under America's democratic system, which provides equal opportunities for all.
Our Trust is in you and the democratic institutions of these United States of America.
